## EXPERIENCE

### Google Interaction Designer (Fall 2018- )

Designed end to end feature work in collaboration with cross-functional partners

### Google User Experience Design Intern (Summer 2017)

Rapid prototyped and designed future features for Google Clip's mobile app and designed user education touchpoints along the customer journey

### PNC Bank Digital Experience Intern (Summer 2016)

Redesigned the user experience and interface for PNC's mass market mobile app and designed a website for PNC Digital

### Rebag Graphic Design Intern (Fall 2015-Spring 2016)

Designed and photographed promotional material for their product and visualized their narrative for the company

## PROJECTS

### Envision the Future (Design Education, Customer Experience, VR, Spring 2017)

Designed a holistic customer experience for a bank to educate customers the importance of long-term financial goals through VR and a digital web tool experience

### You Talk, I'll Listen (UX/UI, Fall 2016)

Designed a wellbeing app that tracks mood trends for a Hong Kong hospital's mental illness clinic

### Good Cook (Spatial, Print, and Digital System, Spring 2016)

Designed a three part system for a program that encourages healthy cooking and eating through social interaction
